Become a Monthly Donor

Monthly donations are a great way to show your support while helping to defray administrative costs. Your credit card will be automatically billed each month. Also, since membership benefits are based on cumulative giving within a calendar year, you will enjoy the benefits of a higher membership level.

Tribute Gifts

Make a donation in honor or in memory of someone. When submitting your gift information, check the box indicating that your gift is either an honorarium or memorial gift. We will need contact information for the person or persons to be notified of your generosity.

You can also ask for donations to be made in someone's memory in lieu of flowers for funeral services.

Donor-Advised Funds

A donor-advised fund (DAF) is like a charitable investment account, for the sole purpose of supporting charitable organizations you care about. When you contribute cash, securities or other assets to a donor-advised fund at a public charity you are generally eligible to take an immediate tax deduction. Then those funds can be invested for tax-free growth and you can recommend grants to virtually any IRS-qualified public charity.

When you give, you want your charitable donations to be as effective as possible. Donor-advised funds are the fastest-growing charitable giving vehicle in the United States because they are one of the easiest and most tax-advantageous ways to give to charity.

Stocks, Bonds or Mutual Funds

A gift of appreciated securities like stocks, bonds, and mutual funds can be a great way to support our mission.

When you transfer ownership of securities, you will receive a charitable deduction for the full market value and incur no capital gains tax subject to IRS deductible limitations. The process is simple. Please contact us for more information.

Planned Giving Opportunities

Extend your caring for the facial pain community beyond your lifetime by choosing to include the Facial Pain Association in your estate plan. By including us in your will or living trust, naming us as a beneficiary under an individual retirement account or otherwise including us in your estate plan, you will secure the future of the FPA mission and become a member of our Legacy Society. Here are some ways to give:

- Charitable Gift Annuities
- Deferred Annuities
- Life Insurance
- Living Trusts
- Retirement Plans
- Wills & Bequests

Please contact us for more information.

Employee Matching Gifts

Many companies will match employee donations which can double or even triple your impact. Ask your HR representative or visit the following website to see if your organization participates:
