

SUPPORT GROUPS – CANADA
March 2021

The Facial Pain Association is pleased to provide information from other organizations serving the facial pain community.

Thank you to both the Trigeminal Neuralgia Association of Canada (TNAC) and the Canadian TN Association (CaTNA) for providing support group information.

The Trigeminal Neuralgia Association of Canada (TNAC)

TNAC is Canada's only registered charity serving people across Canada with Trigeminal Neuralgia. TNAC provides 1:1 phone and email support and also hosts several support groups across the country. For a list of our current support groups, individual support, or information on starting a group in your area [of Canada], please see: <http://tnac.org/tnac/support-group/>

The Canadian TN Association (CaTNA) www.catna2.ca

Currently, all meetings are held virtually by Zoom. CaTNA offers two open meetings each month: 3rd Tuesday of each month at 1:00 pm MST and on the last Saturday of each month at 11:00 am MST

For additional information please contact Jan Williams help@catna2.ca or by phone/text (403) 477 7663

Province	City	Group Leader	Email
AB	Calgary	Jan Williams	calgary@catna2.ca
